2011 REGISTRATION FORM

Strategy Planning, the Baldrige Way

About the Workshop

This one-day workshop will focus on the components of the Baldrige Criteria, Category 2, Strategic Planning, to guide you and your colleagues in developing strategic objectives and action plans. Learn how to identify your organizations key strategic objectives, its challenges and advantages, and the processes needed to integrate your strategy with your organization, workforce and stakeholders. Learn the components of implementing a strategy process: action plan development; action plan implementation; resource location; Workforce plans; performance measures; and action plan modifications. This workshop can serve as your Guide for successful strategy execution. The workshop is designed for leadership of small to medium-size Organizations but appropriate for any leader focused on long-term success and searching for a strategic Planning and execution process that serves as a dynamic resource, with actionable steps.

Benefits:

Each participant will leave with a strategic planning process tailored to his/her organization as well as a better understanding of their organization and how unique strategy can be harnessed in planning and enhancing the future.
